## INTRODUCTION

# 0

The purpose of this tutorial is to teach you how to log in to your ArcGIS Online account so that you can successfully complete the other ArcGIS Online tutorials that are available through the UA Libraries. ArcGIS Online is an Esri cloud-based GIS platform that is available for free to University of Arizona faculty, staff, and students.

Upon completion of this tutorial, you should be comfortable:

1. Opening ArcGIS Online in a web browser.
2. Logging into ArcGIS Online using your UA NetID and Password.

## LOGGING INTO ARCGIS ONLINE

Please complete the following steps to log into your ArcGIS Online account.

1. Open a web browser and navigate to the ArcGIS Online website:

[ArcGIS Online](https://arcgis.com)

Click on the Sign In button.

2. In the Sign in window expand the Your ArcGIS organization's URL pane and type in **uagis**.

The URL should read:

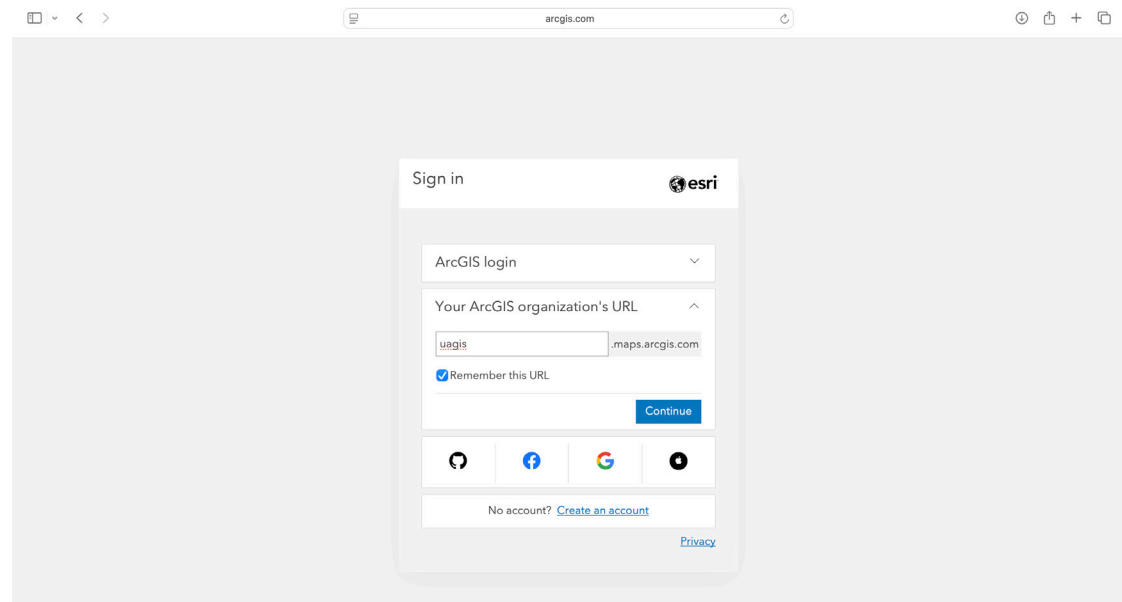

**uagis.maps.arcgis.com**

Click on Remember this URL to save uagis for future ArcGIS Online log-ins.

Click Continue.

2

3. In the Sign in to University of Arizona GIS window click on USE YOUR UArizona NETID HERE.

You will be redirected to a Shibboleth Page to enter your NETID and Password.

4. When you log-in to ArcGIS Online you are automatically directed to your personal ArcGIS Online start page containing the following options.

### Home

The default home page for your ArcGIS Online account.

### Gallery

Location of maps, apps, and other online GIS content saved to the University of Arizona organization account.

### Map

Opens up a blank Map in ArcGIS Online Map Viewer.

### Scene

Opens up a blank 3D Scene in ArcGIS Online Scene Viewer.

### Groups

List of groups within the UA organization that you belong to.

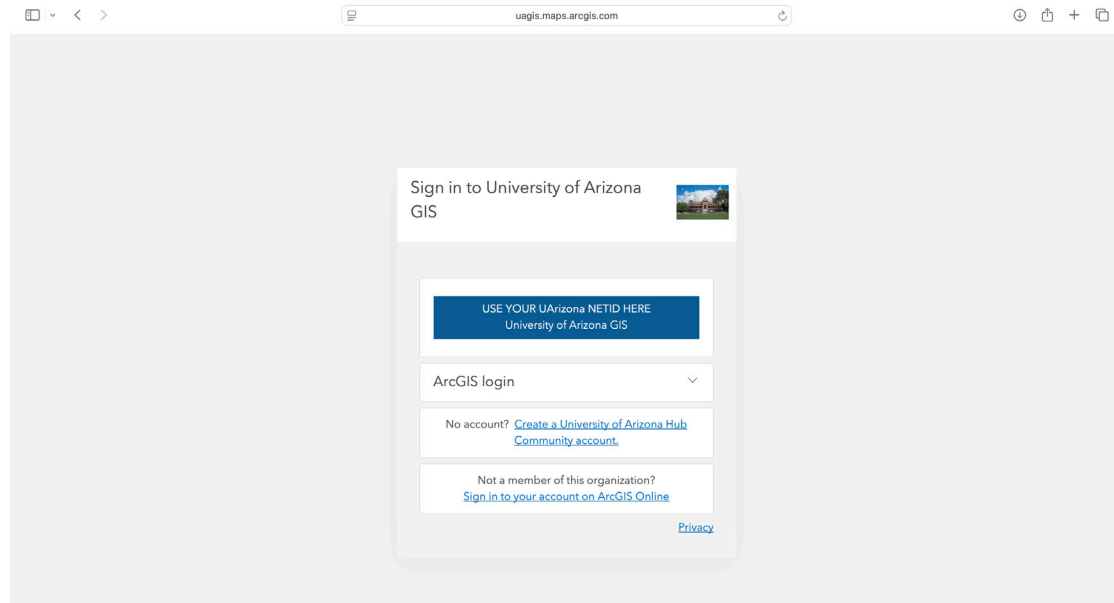

### Content

Location of all your personal ArcGIS Online files.

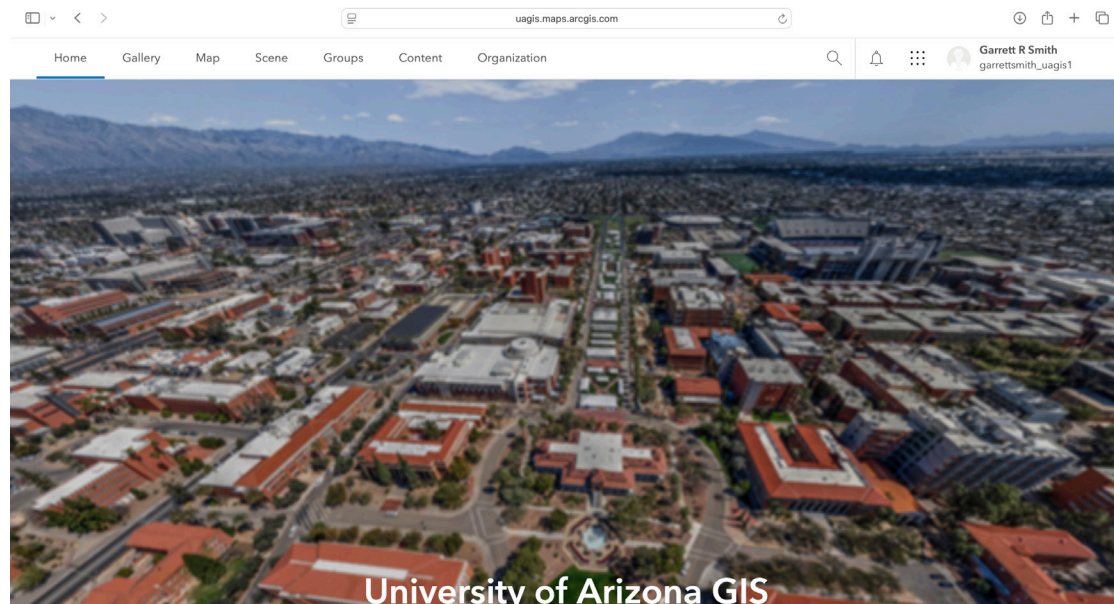

### Organization

Details about the UA ArcGIS Online organization account.
